ACTIVITY WORKSHEETS

WEEK 14

4+6=?

The Rangers Charity Foundation is delighted to bring you these workbooks, bursting with activities to help keep children's minds active in a fun way, whilst we are all staying at home and staying safe.

1. Wordsearch

Can you find the names of the current Rangers Women's Team players?

Print me out or mark me up on your device, if you can. Or email rangerscharity@rangers.co.uk and we'll post you a copy!

2. How My Body Works

Rangers players train every day to improve their fitness and body functions. Can you match these human organs with their descriptions?

LIVER

1: A muscular organ about the size of a fist, this organ pumps blood through your body.

HEART

2: A pair of spongy, air-filled organs located on either side of the chest, their main job is to help you breathe by moving oxygen into your body.

BRAIN

3: A pair of organs that are found on either side of the lower spine, their job is to filter waste materials out of the blood and pass them out of the body.

KIDNEYS

4: This organ is located in the upper right portion of your belly, it processes nutrients from food, makes bile, removes toxins from the body and builds proteins.

LUNGS

5: This organ controls thought, memory, emotion, touch, motor skills, vision, breathing, temperature, hunger, and every process that regulates our body

3. Top SPFL Goal Scorers

Maths Challenge (As at 19/01/21)

PLAYER	GOALS	ASSISTS	GAMES PLAYED	TOTAL SHOTS	SHOT ACCURACY
JAMES TAVERNIER (Rangers FC)	11	8	24	38	55%
KEVIN NISBET (Hibernian FC)	11	2	22	42	57%
KEMAR ROOFE (Rangers FC)	10	2	15	25	64%
LEWIS FERGUSON (Aberdeen FC)	8	2	20	25	48%
NICKY CLARK (Dundee Utd FC)	8	1	22	26	46%

Can you answer the following maths questions based on the table above?
You may need a calculator for some of them.

a	What is the total number of games played by the 5 players combined?	
b	How many goals have been scored by the player who has had the highest total shots?	
c	What is the difference in the total number of shots between the two Rangers FC players?	
d	Which two players have a shot accuracy difference of 18%?	
e	Can you multiply Tavernier's assists by Ferguson's games played?	
f	Which two numbers appear most often in the table?	
g	Which player has scored exactly half of the goals compared to games he has played	
h	Can you add both Rangers FC players' goals together then add their assists together and multiply?	

4. Missing Letters Challenge

Can you fill in the missing letters in the words below? You can use the clues to identify the word which is related to Rangers FC.

1. The stadium where we play our home matches and have done since 1899.

I _ _ R _ O _ _

2. The current Rangers FC club captain.

_ _ A _ _ _ _ _ _ _ _ R _ I _ _ _

3. The country where striker Alfredo Morelos was born.

_ _ _ L _ M _ _ _

4. The player who wears number 7 for Rangers FC.

_ _ _ G _

5. The team which Rangers won against in the first game of this SPFL season.

_ _ _ E _ _ _ E _ _

6. Which country are Rangers next Europa League opponents, Royal Antwerp, from?

_ _ E L _ _ _ U _

7. Which English Premiership club did current manager Steven Gerrard score his highest number of goals against in his playing career with 13 against this team alone?

A _ _ _ _ _ _ _ _ _ I L _ _ _

8. Which current Rangers striker was initially signed on loan from AFC Bournemouth?

D _ _ _ _ E

5. Design a new Rangers Charity Foundation logo

Print me out or mark me up on your device, if you can. Or email rangerscharity@rangers.co.uk and we'll post you a copy!

In the space below can you draw your vision of what the Rangers Charity Foundation logo could look like in the future?

You can use parts of the current logos in your design or come up with a brand new one.

Completed by _____ age _____

We'd love to see your completed worksheets, or images of the family enjoying them! If you'd like, you can share these on social media tagging @RFC_Charity and using #AFoundationFromHome.
